The Gift

A Woman's Rite to HerSelf

How amazing would it be to sit in the safety and sacredness of a 3 day journey with women?
A space that allows you to heal at a cellular level in a way that really
can't be thought about, but rather felt.

The Gift is a place of validation, transformation and renewal.
The unconditional love and non judgement felt here provides a safe place
to explore yourself in a way you never thought possible.

*"It was an honour to be part of The Gift.
This was by far the most intense, soul moving and
awakening experience I've ever had. I feel blessed to
have met such inspiring women and to feel held and safe
to enter into a space so far outside my comfort zone.
I feel I made a connection which is here to stay for the
rest of my life. " - Dessie*
